SCHOOL MUSIC DEVELOPMENT PLAN

SCHOOL NAME: Uplands Junior L.E.A.D. Academy

COMPLETED BY: Helen Grimshaw DATE: July 2024

This template supports the DfE vision set out in the refreshed <u>National Plan for Music Education</u> 2022 for all schools to have a published School Music Development Plan by September 2023.

It is intended to support School Leaders and Music Curriculum Leads to build upon their music offer and track improvements for music in their school.

It will enable schools to evaluate their current music provision in the 3 focus areas identified within the National Plan for Music Education and to consider where these areas can be improved or developed.

The resulting Action Plan should be a "live" document to be reviewed and adapted termly.

Using this template

<u>Who should complete it</u>? To set out the best vision for your development, we recommend that it is completed by the Music Lead along with a member of SLT. This will enable understanding to set realistic development actions for the subject. An appendix of useful questions for discussion is provided at the end.

1) Each section starts with Evaluation: You should make a "best fit" evaluation of the school's current musical outcomes and practices. There is space

for you to detail further how you determine this best fit. You can choose from the following options:

Not yet in place	Emerging	Established	Embedded
Needs priority	Not yet fully in place, further	Effective in driving good outcomes for	Highly effective in driving good or

development	impact on outcomes, needing some	school; some development may be	strength which our school would be
	support.	required to maintain momentum or	willing to share with others.
		make further improvement	

2) Setting Actions: The process is only useful if you set out some deliverable actions. You can detail actions in the boxes below each category. Five spaces have been provided but 1 or 2 would suffice to build your action plan.

Area	Set yo	our school some actions here	Review date	Status
Curriculum	1			Yes
	2			In progress
	3			No

3) Review: You should review the actions you have set out, with your SLT, at least once in-year. Following the review, you can choose from the dropdown menu which will RAG rate your progress (as above).

The Appendences in this document highlight some useful resources and Appendix 2 may be used in your school's induction processes. It can also be used to audit the musical skills of staff within your school. This does not form part of your School's Development Plan but may highlight actions which could help to realise your school's musical vision.

Focus area 1: Curriculum

Not yet in place	Emerging	Established	Embedded

Curriculum	Music is delivered 'ad hoc' and not in every year group. Some groups of students are unable to access the music curriculum. Progress over time is not measured or celebrated. There are limited resources for teaching.	Music is a timetabled subject, with schemes of work and assessment in place. All students are able to access this curriculum in all year groups. Students engage with schemes of work and build areas of musical interest and growing skill. Pupils with additional needs are able to participate and engage with music-making. There is adequate teaching space and resources available.	The music curriculum is at least as ambitious as the national curriculum. Curriculum sequencing is clear. Good progress is demonstrated by secure and incremental learning of the technical, constructive, and expressive aspects of music, developing musical understanding. Pupils with additional needs are able to participate and progress well (supported by technology, tools and adapted instruments). Space and resources allow breadth of curriculum for all students, including music technology.	Curriculum goes beyond level of the national curriculum, seeking to address social disadvantage by addressing gaps in knowledge, skills and experiences (i.e. concerts, live events).

Action Plan: Curriculum

Curriculum Question Prompt:	
Is the music curriculum planned for in all year groups across Key Stages as guided by the National Curriculum?	
Is the music curriculum planned for in all year groups and skills sequenced progressively across Key Stages as guided by t	he National Curriculum?
Is the curriculum planned with consideration for transition, taking into account the expectations of the KS3 curriculum?	
Are there opportunities for singing? Including an understanding of how to develop singing healthily and musically?	
Is teacher assessment musical? Do you know how to use assessment to drive 'getting better at' music?	
Does the music department have a bespoke assessment policy that assesses musically and appropriately and that is in al	gnment with school assessment strategy?
Are curriculum music lessons for each year group timetabled for 60+ minutes in line with aspirations of the National Plan	?
Do all curriculum music lessons take place in a suitable space or specialised music environment?

All pupils, including the most disadvantaged and pupils with SEND, have an opportunity to perform regularly. In-school musical events take place at least termly. The school facilitates one to one and group tuition through Music Service. All staff in the school are able to support singing. Music performance is a prominent component of school life from an early age; music is performed in assemblies and events such as sports day and open evenings alongside in-school events. The overall provision is diverse, valuing all musical styles, genres and traditions equally; this is reflected in the clubs and enrichment programme and drawing on the skills, talents and interests of staff and local stakeholders through specialist tuition. A large proportion of students are involved.	ensures progression for all students. The school tracks and monitors engagement in enrichment, ensuring that there is a large proportion of students able to engage in music in and out of school. Provision is targeted, demonstrating wider impact. Co-curricular music is supported by the school and time is allocated for staff to run these groups successfully Students are able to take leadership roles in musical opportunities. The school is actively involved in national, largescale events.

Our Instrumental and Vocal Lessons and Ensembles best fit is: Established-Embedded.

Within the curriculum, students are given the opportunity to learn an instrument. In Year 4, students partake in ukulele tuition which seeks to impart valuable skills that will help children develop and foster a love for music, in the hope that this will inspire them to continue their musical journey away from the classroom. The curriculum is built on teaching children usable concepts on the ukulele with an importance on chords, rhythm, timing and strumming so that children are quickly able to play and compose songs. Children in the middle and at the end of the year are given the opportunity to perform a concert in front of parents, in which they showcase songs they have learnt through the year. Pupils in year 5 and 6 have the opportunity to continue to learn the ukulele in weekly lessons.

Weekly opportunities for children to learn and practise their singing is timetabled though the teaching of singing assemblies with active listening and vocabulary retrieval activities included. Opportunities for children to display their singing is showcased in year group productions to the school and to parents through a Christmas singing concert and outdoor Summer Concert. All pupils join with children around the world to take park in Sing Up Day and record their performance for their digichoir.

Students are also given the opportunity to partake in two weekly choir clubs which teach them a range of songs from different musical backgrounds and genres. They learn technical skills such as breath control, pitch and tone control. Students take part in regular local events through links with DG schools, Kaine Music at the Curve theatre, Music Hub events at De Montfort Hall and singing for the elderly at local venues. We attend the national event Young Voices yearly.

Students have access to 1:1 and small group tuition weekly. These lessons cover a range of instruments such as ukulele, piano, flute, guitar and violin. PPG children are encouraged to learn a musical instrument.

All PPG students in Year 5 as well as additional students who sign up have the opportunity to play in a rock band through Rock Steady. Students perform termly in concerts to the school and parents.

Instrumental/Vocal Lessons and Ensemble Prompt:

Does the school provide 1-1 and small group tuition from Music Service on a variety of different instruments?

Do you know what % of the school population engage in instrumental tuition?

Do you know the average % for other schools in the ward and or city?

Are there opportunities for your pupils to perform in both formal and informal settings on an annual basis?

Does the school provide an opportunity for both KS3 and KS4 pupils to sing/play in an ensemble in school? Is time given for staff to run co-curricular musical ensembles?

What are the barriers to running, rehearsing and curating ensembles in your school? How can they be overcome?

Are ensembles led by a competent musician?

Is there an annual/ termly concert event?

Is there an opportunity for the school ensembles to perform to parents or peers?

Do the ensembles in school enable children to perform a wide range of styles and genres?

Focus area 3: Musical Events and Opportunities

	Engagement with the Music hub is limited. Small-scale performance takes place in the community, building on existing school links. Some parents and carers support music-making in the school by attending events.	The school takes up opportunities from the Music Hub (such as the Big Sing event) and signposts opportunities for students. Community links are established with the music team; regular events take place throughout the school year. Parents and carers actively support music making, through support at events and through home learning.	The school makes the most of a wide range of opportunities from the hub, working with and supporting the Music Hub. Meaningful partnerships are established with the community and a large proportion of students engage with this, understanding that there are clear civic and moral benefits to doing so (link to personal development and character education). The views of pupils, parents and carers have been considered when developing music provision. The school has links to the wider music eco-system and actively encourages students to join the Music Service Ensembles. Students benefit from interactions with those working in the profession.	The school is a leader musically in the local community and works closely with the Music Hub being able to influence and support beyond their immediate setting. There is a co-ordinated programme of community events, planned in partnership with stakeholders. These events giving students the opportunity to engage in volunteering. Parents/carers and the wider community are actively involved in school music making The school has established connections with the next stages of musical education and the music service so that progression routes can

All pupils join with schools around the world to learn a song and actions for Sing Up Day which is recorded to be included in their digichoir.						
Further Evaluation Detail	In addition, students take part in/experience Rock Steady assemblies termly. We aim to enrich students with educational experiences that help foster a love and passion for music. Through the planned implementation of performance and wider opportunities, we nurture children's talent and provide them with the quality experiences needed to enhance their enthusiasm for the subject.

Children in all year groups are given the opportunity every year to enjoy a pantomime show at a local theatre in Leicester. This engages them within the dramatic arts and a variety of songs and music are experienced which the children benefit from greatly. It expands their cultural capital and love for the subject.

SEND pupils take part in a course of song writing sessions with Kaine Management singing specialist.
