Amy and Marcus from the local police visited our Year 6's to talk about the diverse careers and opportunities within the police force. They highlighted various roles, including investigating crimes, working as traffic police, supporting the community, and undertaking office-based jobs. Amy and Marcus emphasised the importance of each role in maintaining public safety and how they work together to create a safer community. They also spoke about career progression, explaining how starting in one area could lead to advancement into specialised fields or leadership positions within the force.
